A mythic journey, high into the Andes, becomes a spiritual quest that challenges the reader's relationship with the Earth, humanity and his or her own soul. The Sisterhood of the Sun meets the Brotherhood of the Magi, and their highest spiritual warriors, the Order of the Ruby, as the planets align with the Great Central Sun. Filled with archetypal wisdom, spine-tingling truth, magic and myth, the Brotherhood of the Magi transcends the limitations of this dimension providing a blueprint for higher consciousness. Most importantly, Ayani has given us a love story from the stars - a gift of hope that models new relationships for the coming Golden Age.
