**The iPod Book: Doing Cool Stuff with the iPod and the iTunes Music Store (2nd Edition)** Scott Kelby

There are basically two kinds of iPod books: (1) The "tell me all about it" kind, which includes in-depth discussions on compression algorithms, debates about analog vs. digital equalizers; and tutorials on how to export your playlist in Unicode format. (2) There's this book. It's not a "tell me all about it" book, it's a "show me how to do it" book.

Award-winning author Scott Kelby shows you step-by-step how it's all done, using the same casual, plain-English style that has made him one of the world's best-selling technology authors. You'll learn how to do only the most important, most requested, and just plain cool things you're going to want to do with your iPod—so you can start having fun with it today. Right now!

Each page covers just one topic, complete with full color photos, making it easy to find just what you're looking for fast. Plus, it shows you how to get the most from the iTunes Music Store, how to integrate your iPod into your car, which iPod accessories are hot, how to use photos with your iPod, and everything you need to know about the latest addition to the iPod family, the new iPod Nano! It's all here—in the only book of its kind—and you're gonna love it!
