Under A Lakota Moon Deborah L. Weikel

As a divorcee in 1870 St. Louis, Rosalynn McAllister is a branded woman. When she is presented with the opportunity for a new life with her sister's family in Peaceful, Minnesota, Rosalynn believes it is what God wants for her. But Rosalynn arrives in Peaceful only to find that her sister Susan has run off, her brother-in-law Mike is dead, and her niece and nephew are in the custody of the town's minister. Furthermore, Mike's handsome half-brother, Lone Wolf Larson, who now owns the family farm, stirs feelings in Rosalynn that both excite and confuse her.

When Rosalynn and Lone Wolf must marry to obtain custody of the children, Rosalynn assumes it will be a loveless marriage. After all, she believes that no man could love a divorced woman, and experience has taught her that men are not to be trusted. Lone Wolf, persecuted for his Lakota Sioux heritage, also has trust issues, yet he secretly feels that Rosalynn is his destiny. Will Rosalynn and Lone Wolf put aside their fears and learn to embrace love, hope, and forgiveness? And will their faith see them through seemingly insurmountable trials?
