Sam is having a terrible day and finds comfort in the place he'd least expect it: with the **boy he grew up with**, Brent. He's back from college looking better than ever and while they have the house to themselves, Sam shows Brent his vulnerable side and Brent shows Sam things he *never dared ask to see*.

Warning: The following ebook contains graphic depictions of erotic encounters that are **so steamy** I can't even tell you about it here. Why don't you look inside for a peek?
