For the last three years, geeky high school senior Patrick Connolly has harbored a secret desire for the attention of his beautiful and seemingly unattainable classmate Nualla—a girl he’s never even spoken to. However, when Nualla’s abusive ex corners her in the deserted hallway of their elite San Francisco private high school, will Patrick finally find the courage to speak up? Or will his heart’s desire remain a secret forever? This one decision could spell his doom or be the answer to his dreams...or both. Because you see, his dream girl has secrets of her own...like the fact she isn’t even human.

Beautiful Stranger is the 20,000 word alternate opening to this imaginative, genre smashing urban sci-fi romance that has been described as a TV show pilot in book form.

Interview with the Author

Q - So, what makes The Marked Ones Trilogy special?

A - Well for one, the series is a young adult interracial romance featuring a strong female protagonist, and a *hapa* (half Japanese, half Irish) geeky male protagonist. It’s a fish-out-of-water story told from the reverse perspective of what we’re used to seeing in most paranormal romance series. In that it has a high school boy as the seemingly normal character, and a female protagonist as the paranormal love interest (in this case a daemon!). But mostly, The Marked Ones is different because it takes the genres of paranormal romance, urban fantasy, science fiction, and high school romance and puts them all into a mixing bowl before baking them into a romantic mystery set in San Francisco.

Q - So, why should readers give these books a try?

A - If you’re looking for something a bit different with diverse protagonists, unusual teen love triangles

that's full of twists and turns that keep you guessing? Than this romantic paranormal mystery series is right up your alley.

And thanks for reading!
