## **Celebration - The Story of a Town** Michael Lassell

Celebration, Florida, is perhaps the most successful planned community in the country, having recently won a coveted Florida state civic award. What many people don't know is that Walt Disney's original concept for what later became Epcot® at Walt Disney World was exactly what Celebration is today—a thriving town where people live, work, go to school, attend to their health-care needs, shop, dine out, bank, and have myriad recreational opportunities. The richly illustrated Celebration: The Story of a Town explores the history of planned communities in America; the original concepts for Celebration complete with input from architects, social historians, and perhaps most important, local residents; and the ups and downs of this unique community as it establishes itself as one of Florida's most desired addresses.
