Chinese Philosophy: An Introduction (Introductions to Religion) Ronnie L Littlejohn

The philosophical traditions of China have arguably influenced more human beings than any other. China has been the home not only of its indigenous philosophical traditions of Confucianism and Daoism, but also of uniquely modified forms of Buddhism. As Ronnie L Littlejohn shows, these traditions have for thousands of years formed the bedrock of the longest continuing civilization on the planet; and Chinese philosophy has profoundly shaped the institutions, social practices and psychological character of East and Southeast Asia. The author here surveys the key texts and philosophical systems of Chinese thinkers in a completely original and illuminating way. Ranging from the Han dynasty to the present, he discusses the six classical schools of Chinese philosophy (Yin-Yang, Ru, Mo, Ming, Fa and Dao-De); the arrival of Buddhism in China and its distinctive development; the central figures and movements from the end of the Tang dynasty to the introduction into China of Western thought; and the impact of Chinese philosophers?ranging from Confucius and Laozi to Tu Weiming?on their equivalents in the West.

From reader reviews:

Arthur Elsberry:

The book Chinese Philosophy: An Introduction (Introductions to Religion) can give more knowledge and information about everything you want. So just why must we leave the great thing like a book Chinese Philosophy: An Introduction (Introductions to Religion)? Some of you have a different opinion about publication. But one aim in which book can give many data for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or details that you take for that, you could give for each other; it is possible to share all of these. Book Chinese Philosophy: An Introduction (Introductions to Religion) has simple shape but you know: it has great and big function for you. You can appear the enormous world by start and read a publication. So it is very wonderful.

Martha Robertson:

As people who live in often the modest era should be update about what going on or info even knowledge to make all of them keep up with the era which is always change and make progress. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Chinese Philosophy: An Introduction (Introductions to Religion) is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Beatrice Rogers:

This Chinese Philosophy: An Introduction (Introductions to Religion) is great reserve for you because the content and that is full of information for you who all always deal with world and possess to make decision every minute. This kind of book reveal it data accurately using great organize word or we can say no rambling sentences within it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with wonderful delivering sentences. Having Chinese Philosophy: An Introduction (Introductions to Religion) in your hand like having the world in your arm, facts in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen tiny right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Raymond Brown:

Is it anyone who having spare time and then spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something totally new? This Chinese Philosophy: An Introduction (Introductions to Religion) can be the solution, oh how comes? The new book you know. You are consequently out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these publications have than the others?
