At first it seemed like Toni Barston's lucky day.

During a routine interview with a murder suspect, prosecuting attorney Toni Barston stumbles onto a fabulous lead into an organized crime operation. Drugs, black marketeering and more--the opportunity to break the criminal enterprise once and for all is suddenly in Toni's capable hands.

Even after her car is torched as a warning, Toni is determined to bring all the major players, including the crime boss, to justice. But the woman who is now Toni's quarry wants what she wants--and what she wants is Toni. Taking no for an answer isn't in her nature. If she can't have Toni, then nobody can.
