Dakota

Todd Brown

Dakota Todd Brown

Dakota Riley is a member of the Seattle Drug Task Force. During an investigation into an international drug smuggling ring, he loses his best friend and partner. To add insult to injury, he is assigned a rookie, Marc Bradley - the son of a black fisherman from South Carolina. Seeking revenge rather than justice, Dakota ditches the rookie...and almost gets himself killed. After leaving the hospital for a 'forced' vacation, Dakota and Marc head to Marc's hometown of Charleston, South Carolina. A day out on a fishing boat goes wrong when a mysterious storm arrives. The boat is destroyed, and the two men wash ashore...in 1861, just prior to the start of the American Civil War.

From reader reviews:

Jonah Masten:

The book Dakota can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Dakota? A few of you have a different opinion about book. But one aim that book can give many details for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or details that you take for that, you can give for each other; you can share all of these. Book Dakota has simple shape but you know: it has great and massive function for you. You can look the enormous world by start and read a publication. So it is very wonderful.

Elizabeth Ashton:

This Dakota book is just not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this publication incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This kind of Dakota without we comprehend teach the one who looking at it become critical in considering and analyzing. Don't possibly be worry Dakota can bring when you are and not make your bag space or bookshelves' turn into full because you can have it within your lovely laptop even mobile phone. This Dakota having good arrangement in word in addition to layout, so you will not sense uninterested in reading.

Louise Graham:

The reason? Because this Dakota is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book beside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I had been you I will go to the e-book store hurriedly.

Michael Counts:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information from a book. Book is composed or printed or outlined from each source this filled update of news. On this modern era like now, many ways to get information are available for a person. From media social including newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just trying to find the Dakota when you needed it?
