Mental Health Interventions and Services for Vulnerable Children and Young People

Mental Health Interventions and Services for Vulnerable Children and Young People

This book provides a model which offers guidance on effective and appropriate therapeutic interventions and services for vulnerable children and young people (commonly children who have experienced trauma, abuse, domestic violence or neglect). By addressing practice, theory and policy, the book enables professionals working with vulnerable children to choose the right intervention for each individual child. Contributors examine best practice across the UK, the US and Europe and compile the findings in a way that can be incorporated into everyday practice. Mental Health Interventions and Services for Vulnerable Children and Young People will be an invaluable tool for those working with vulnerable children and young people including child mental health and welfare professionals and agencies, as well as social workers, policy makers and academics teaching or studying child mental health.
