If you could reverse the "Curse of Ham" by procreating with a slave with grieving-eyes, would you abandon your family to do it? Jeb Hayes has made his decision as the owner of the most successful plantation in Kinslove. His actions will cause the secret to be revealed, why no white man has conceived a child with a slave in over 40 years in Kinslove. This is a story of not-so-magical trees, and their strange fruit. Jeb's eccentric white wife, Josephine who might lose her husband to a slave. The nameless slaves who subvert the system by falling in love. The brutality of American's slavery is on display in this uncomfortable story of love and freedom.
