"A Must Read Romance. This is one of the best books I've read this year. It has everything a book should have: action, adventure, violence, a butt-kicking heroine and one hot hero." *?USA Today*

This world is trying to kill Lily Proctor. Her life-threatening allergies make it increasingly difficult to live a normal life, and after a completely humiliating incident ruins her first (and perhaps only) real party, she's ready to disappear.

Suddenly, Lily finds herself in a *different* Salem. One overrun with horrifying creatures and ruled by powerful women?including Lillian, this world's version of Lily.

What made Lily weak at home, makes her extraordinary here. It also puts her in terrible danger. Faced with new responsibilities she can barely understand and a love she never expected, Lily is left with one question: *How can she be the savior of this world when she is literally her own worst enemy?*

Set in a world of witches, magic, and romance, *Trial by Fire* by internationally bestselling author Josephine Angelini is the first book of the young adult fantasy Worldwalker Trilogy.

"Angelini's latest series opener combines the best elements of a magical fantasy with hints of sci-fi, history, and romance." *-School Library Journal*

"A compelling, intricate world, a swoony romance, and a memorable cast make this one a blazing success." *-The Bulletin*
