A Hedonist's Guide to Eat New York

This is not the typical restaurant guide. *Hg2 Eat New York* has been compiled from the thoughts of New York's top 150 restaurateurs, chefs, sommeliers, critics, suppliers, and maitre'ds. Each was asked which restaurants were best and where they go to eat when they're not working. Color maps help readers plot each location, while the small size makes it easy to tote and consult.
