Beating Around the Bush Art Buchwald

Pulitzer Prize–winning Washington Post columnist Art Buchwald returns undaunted to examine the ridiculous people and preposterous events that we call our daily reality. Collected from his columns, with a foreword by Garry Trudeau, Buchwald’s satirical voice darts at politicians, power, corporations and the media without pause. A self-described troublemaker, Buchwald continues to represent the great American traits of skepticism, humor, and a refusal to compromise in the face of absurdity.
