Today there is a CRISIS IN CHRISTIAN MUSIC. Secular, pagan, and even occult musical styles have crept into the church, all dressed up with new Christian lyrics. Old, traditional hymns, tried and true, have been thrown on the scrap heap of church history. Naively, pastors, music directors, and younger members of congregations have often unknowingly embraced musical styles that can have spiritually negative effects on their listeners. Dr. Jack Wheaton, composer and instrumentalist, masterfully covers the deterioration in music in today's church.
