Dark Territory (The Dominion Falls Series Book 3) Sarah Cass

A dead woman walks the streets of Dominion Falls.

Jane Doe Spencer knows she should be dead. The pain and terror of her hanging haunt her every day. Under the cover of a long, harsh winter she heals and vows to finally solve the puzzle of her past.

One man will do whatever it takes to keep her alive.

Cole Mitchell has his hands full, keeping her hidden from the law and safe from the maniac stalking her. The riddle of her letters is beyond him, but his common sense helps drive them both toward her answers. He almost lost her once, and he refuses to let it happen again, even if it means betraying her trust.

The future is uncertain and her enemy is closing in, intent on ending them once and for all.

In order to stop him and save the lives of those she loves, Jane must confront the past she cannot remember—and the family she left behind.
