Dragon Slayer: Beginnings: Book One of the Dragon Slayer Chronicles (Volume 1) Carey Green
Dragons have been forgotten, relegated to the realm of legend and myth. But tales of horror circulate among the common people. Rumors of their attacks float on the night wind. They are a fearsome presence that haunts the memories of the old and the nightmares of the young.

They are forgotten, but they are not gone. The dragon masters wait, a dark force lurking in the shadows of every land. They will have their opportunity. ***They will rise.***

A young boy is stripped violently from his family and thrust into the conflict between dragon masters and feudal lords. Through tragedy and loss Hon is swept into the conflict while battling the fear and pain that grips his own soul.

Dragon Slayer: Beginnings is a story of life and the growth of faith in the midst of loss. It's about the battle every person goes through to become more than their past has destined them to be.

He is the first. He will be the best. He is the Dragon Slayer.

a note from the author

I'm continually amazed at the grace of God that He's enabled me to write this novel. I've always had a great desire to write and as a youngster I read a ton. Combining my love of reading with the creation process of writing a book like this as a Christian fiction author has been incredible! Thanks God!

About the Dragon Slayer series

These books come from stories I told to my older three kids when they were small. Bedtime, road trips, and many other times I can remember hearing kids ask, "Dad, can you tell us a Hon story?"

I did... and they finally convinced me to put them into book form. I'm planning on a series of 5 books, hopefully being able to publish a couple per year. Yes, I'm very optimistic!
