Or perhaps you struggle with meeting White men in the first place? Chances are, you are one of the many Black Women who inadvertently give White men the red light. I used to face the same conundrum, until one day it hit me. In fact, my very own roommate (an Asian woman) was one of those girls who consistently had droves of White men lined up to date her. It was from observing my roommate and learning the secrets she used to attract White men that I was able to have a date every weekend with different White guys. And you can too. You see, the secrets Asian women know that cause them to win at swirling can be applied to Black women and work just as well. It will take some work on your part, but if you know who and what you want and are fed up of not getting it, it will all be well worth the effort. In this book, you'll learn: \* How to Attract the Men you Actually Want \* What you're NOT doing right now to stop guys in their tracks from asking you out \* Why you need to do your homework if you want to attract the right kind of men \* How to make yourself instantly more approachable \* Where to find the men you want to date \* And Much More!
