## **Silicon Valley: Fact and Fiction** Cousette Copeland

Cousette Copeland's *Silicon Valley: Fact and Fiction* is a historical record of the changes that occurred in Silicon Valley from 1961 to present. It is part history, part memoir, rich with photographs, and with a little poetry and fiction. *Silicon Valley: Fact and Fiction* is an exploration of Silicon Valley's complex Landscape and Industrial Changes, Ethnic Identity, San Jose's rich cultural arts, San Jose State University's place in International kendo, and Silicon Valley's high-tech world. Copeland's book describes her contacts with lesser-known, but much loved citizens of San Jose, as well as with well-known figures, such as Poet Robert Bly, Nobel Prize Winner Doris Lessing, and Cirque du Soleil star Vladimir Kekhaial. Copeland reveals 'hidden' treasures about San Jose State University, Poetry Center San Jose, Upstairs at Eulipia, and more. Her intimate history is as one of the people who make up Silicon Valley's talented and diverse population. It is a personal and fascinating view of the time in which 'The Valley of Heart's Delight' became 'Silicon Valley!'

#### Eduardo Fernandez:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Silicon Valley: Fact and Fiction can make you experience more interested to read.
