THE ALPHA'S CHOICE (BBW ROMANCE): BOOK ONE Piper Hunt

Celene knows there's no such thing as werewolves.. Of course they don't exist...until one saves her from a horrific death.

And after meeting the handsome and mysterious Aidan, she almost wishes she could keep it that way. However, Celene can't deny that **something draws her** to the alpha of Oregon's Cadigan Pack, even though it spells danger.

Years ago, Aidan vowed to never enter a union with a human, but he sees something different in the curvaceous and spirited Celene. Whenever they're together, **sparks fly**. But to keep her safe from the rival pack that continues to spill innocent blood, he must keep his vow and keep his distance. But can he?

AUTHOR'S NOTE: This book was previously published under the same title by Nessa Connor.
