The Light Inside the Dark: Zen, Soul, and the Spiritual Life John Tarrant

In this landmark guide to the spiritual journey, respected Zen teacher and Jungian psychotherapist John Tarrant brings together ancient Eastern traditions and the Western view of the soul to offer a new understanding and a vivid description of the depths and heights of our inner landscape. *The Light Inside the Dark* shows us how we can look into our darkest experiences and find the sources of joy there. In leading us on the journey of the interior life--the part of us that lies below the everyday life of work, family, and the physical world--Tarrant distinguishes between soul and spirit and shows how we can overcome the dichotomies of inner and outer, light and dark. To attain the deepest spirituality, he explains, no emotion need be denied: pleasure, anguish, desire, and contentment all form a part of the soul's great quest.

Using real-life stories as well as the teachings of Zen Buddhist masters and the ancient Greeks to illuminate his discoveries, Tarrant shows us how to live fully through difficulty and discover deep happiness in all aspects of daily life.
