The Truth: An Uncomfortable Book About Relationships (Signed Edition) Neil Strauss

In *The Truth*, Strauss takes on his greatest challenge yet: Relationships. And in this wild and highly entertaining ride, he explores the questions that men and women are asking themselves every day: Is it natural to be faithful to one person for life? Do alternatives to monogamy lead to better relationships and greater happiness? What draws us to the partners we choose? Can we keep passion and romance from fading over time? His quest for answers takes him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships, and, ultimately, himself. Searingly honest and compulsively readable, *The Truth* just may have the same effect on you. If *The Game* taught you how to meet members of the opposite sex, *The Truth* will teach you how to keep them.
