It's Dangerous to Go Alone!

Mia Strong never expected to be deciding the rest of her life at age twenty-two. Is she willing to become a human lab rat? Does she need to write a will? Does she ever want a family--and if so, with whom? She can't dodge the tough questions--not if she plans to live to see twenty-three. With her life hanging in the balance, Mia wants nothing more than to rely on Adam Drake, but he's hurt her before.

You Must Gather Your Party Before Venturing Forth...

Adam Drake knows that he's made mistakes, but when he discovers what Mia's facing, he realizes how much those mistakes could cost him. Now he has to choose between being the man who can save Mia's life or the man she can love. No matter how much it tears him apart, Adam knows he has to put Mia first...even if it means he's out of the picture entirely.

Will their love survive this epic battle or is it game over?
