"The final episode of the Zombie D.O.A. series. Will humanity survive?"

The once mighty Pendragon Corporation has fallen, leaving humanity at the mercy of the horrendously depraved John Messenger and his Zombie army. As the horde sweeps north across California, the Collins family finds itself directly in its path and unable to flee. They hope that Messenger will pass them by. Little do they know that they hold the one thing he's determined to have, and that he won't stop until he gets it.

The conclusion to the Zombie D.O.A. Series cranks up the odds and the action, accelerating towards an ending that will make your jaw drop.

An Interview With The Author

Q - What makes the Zombie D.O.A series so special?

A - A number of things. When I started writing this series, I set out to create the kind of books I enjoy reading. I love post-apocalyptic fiction like Stephen King's "The Stand" and Robert McCammon's "Swan Song" and, of course, "The Walking Dead," so I wanted to create something on the massive scale of those horror classics. However, I wanted the story to work on a smaller scale too, really getting into the hearts and minds of the characters.

Judging by the feedback from readers, the series works on both those levels. Yes, it's scary zombie post apocalyptic fiction, zombie survival fiction, zombie thriller. But it's also about realistic characters who the reader can root for (or despise, as the case may be).

Overall, the Zombie D.O.A. series is fast-paced, kickass and scary. It's a real page turner with plenty of twists and turns that will keep you reading late into the night.

Q - What order should I read the books in?

A - There are 21 books in all and they should be read in the following sequence:

(NB: Each series (1 - 5) is also available as a box set. Buying that way works out about 60% cheaper)

- Dead Meat (prequel)
- Dead City
- Dead On My Feet
- The Dead Men
- Dead On Arrival
- Return to Dead City
- The Dead Can't Die
- Among The Dead
- Dead And Buried
- Deadly
- Speak Of The Dead
- Stone Dead Forever
- Requiem For The Dead
- The Dead Shall Rise Again
- Dead Things
- Kill The Dead
- The Dead, The Damned And The Dying
- The Never Dead
- Dead And Dangerous
- We, The Dead
- Dead Ever After

Q - There are lots of zombie books out there, why should readers give these books a try?

A - Once again, I can only pass on what my loyal readers have said. I was deeply flattered to hear the series described as, "as good as The Walking Dead," "the best zombie series out there," and "impossible to put down." Other readers have commented on the breakneck pace, unique plot twists and unforgettable characters."

All in all, the series is fast paced, scary and, in parts, deeply moving. If you enjoy post apocalyptic fiction told on a massive scale, with larger than life characters and lots of unexpected plot twists, you'll enjoy this...period.
