Your students can practice reading comprehension and writing skills while learning or reviewing American History. The Elementary American History workbook provides a basic text of American history from prehistory to the present day. Written in simple language for the average elementary school student and extensively illustrated, this workbook introduces factual historical information while reinforcing in-class history lessons. Each chapter is divided into brief, topic-driven sections, which are followed by multiple-choice and open-ended questions. These questions are designed to help younger students better understand and remember the most significant points of the passages. This book is targeted for students in grades 3–5. Also great for home schooling!
