## **Hatching Your Million Dollar Business (Networlding Leadership Series) Dan Tepke**

Think you have an amazing idea that will make you a fortune? Are you ready to take the next steps?

You've come to the right place. Hatching Your Million Dollar Business takes your idea and catapults it to the next level with a simple plan. The majority of ventures fail because the ideas behind them are incomplete or not well-developed. With the right tools and by asking the right questions, you will develop a solid concept and your business will hit the ground running.

Complete with a set of templates and worksheets to help build your million dollar idea, this book is an invaluable resource for entrepreneurs, those who work with partners, or anyone interested in launching a new project.

- Find out why self-assessment is paramount to success
- Discover why you must forget your weaknesses and focus on your strengths
- Learn the importance of a project statement and how to craft one
- Generate, screen, and develop ideas like a pro
- Keep track of your progress with the innovation process flow chart

Remember, some ideas prosper while others fall flat. The remedy is simple. Combining Hatching Your Million Dollar Business with passion and diligence will help ensure a triumphant beginning to your company

Author Daniel Tepke was employed as a university associate dean for management and budget when he began to develop the techniques in this book. He spent years utilizing them in multiple sectors and is now the president of a corporation which focuses on executive coaching and helping businesses reach their objectives. By studying Daniel's detailed method, you are guaranteed to come away with an insider's knowledge and the necessary tools to develop a winning strategy.
