Renacida: Diarios tempranos 1947-1964 (Spanish Edition) Susan Sontag

Ensayista, novelista, Premio de la Paz de los libreros alemanes, Premio Príncipe de Asturias de las letras, Susan Sontag fue una de las intelectuales más implacables e inconformistas del siglo XX. *Renacida* es el primer volumen de sus diarios personales, editados por su hijo David Rieff.

«Afirmar que estos diarios son reveladores es un drástico eufemismo. Uno de los principales dilemas en mi decisión de publicarlos ha sido que, al menos en la última etapa de su vida, mi madre no fue en ningún sentido una persona proclive a la confidencia. En particular evitaba hasta donde le era posible, sin negarla, toda referencia a su homosexualidad o todo reconocimiento de su propia ambición. Así que mi decisión sin duda viola su intimidad. No hay otra manera de describirlo con imparcialidad. [...] El criterio de selección fue determinado en parte por mi impresión de que la crudeza y el retrato sin retoques que estos materiales presentan de una Susan Sontag joven, que de modo consciente y con determinación acometió la creación de una identidad que deseaba, era el aspecto más fascinante de los diarios. Por ello decidí titular este volumen *Renacida*, procedente de una frase que figura al comienzo de los primeros diarios, pues me parece que compendia lo que mi madre fue a partir de su infancia.»

David Rieff
