## **Grace and Dignity: The Ark of the Sacred Scrolls (Volume 1)** Laura Grody

Princess Grace and Prince Dignity, a royal couple with mystical powers, are set to be crowned king and queen of the magnificent Kingdom of Love. But on the eve of their coronation, disaster strikes, and Grace is told her prince has been murdered. Grief-stricken, the princess reportedly dies of a broken heart, and the shocked kingdom falls into the eager hands of Dignity's unscrupulous cousin, Prince Denial. Months later, however, Grace is found alive with a gap in her memory, a loss of her powers, and a mysterious Pig Latin note suggesting Prince Dignity is very much alive. As she searches for her prince throughout the rundown kingdom, Grace stumbles upon an ancient secret known as the Cosmic Source—a powerful force which promises to revive her mystical powers and lead to an exciting new way of living. But with the crown title “throne” for a loop, the future of the Kingdom of Love hangs upon the prince's Dignity. Find out if True Love conquers all in this mystical, linguistical tale!
