Living Beyond Abuse: 20 Keys to Living Beyond the Hurts and the Pains of Your Past Dr. Destiny D. Perry

Have you ever thought about the possibilities that could exist outside of the confines of the emotional and physical turmoil that the pains of an abusive past have brought you? Have you considered a life beyond abuse? This book is a great inspiration to help you on your journey to complete and total healing from all the hurts and pains of your abuse.

Many times, we find ourselves living minute by minute, hour by hour, day by day, week after week, month after month, and year after year bound and attached at the hip to the trauma we experienced as a child and throughout our early adult years. Just when we seem to try to initiate an effort to move on past the wounds of our broken past something pull us back in. We return to the feelings and emotions associated with the abuse and neglect we experienced by our loved ones and close family friends. As a result, we never experience God's best for our lives.

So my question to you is what do you want? Will you dare to trust God and believe Him for the best? Will you choose faith over fear? Will you choose to live beyond abuse? Will you choose today to live a life free of all the stigma and stereotypes associated with being a victim and walk in the restoring power of God not only as a survivor, but also as a victorious overcomer.

If you are ready to begin inside you will find just what you have been looking for. I have written a guide that consists of 20 power packed and thought provoking keys to living the God kind of life. These keys of faith will help you unlock and reach your fullest potential. God's purpose for you is not to be held hostage by the pains and the hurts of your past, but to heal you and mend your broken heart so you can live again. You can live beyond abuse!

Servant after God's Heart,

Dr. Destiny D. Perry
