A vicious killer is on the loose. Their targets are connected, but the motives are unclear. Brought in by a Fortune 500 company to do a simple background check, Private Investigator Burnside is suddenly thrown into the middle of a sea of carnage. And as he moves forward into this harrowing case, his own life is placed in mortal danger.

Desperate to find the culprit before they strike again, Burnside faces his biggest challenge yet, and one in which a single wrong move -- or an ill-timed quip -- could prove to be very deadly.

Filled with unexpected twists and turns, the story focuses on the glitz of the entertainment industry, but goes on to reveal the harsh corruption that lies seething beneath the surface.

Nickel Package embarks on another vivid tour through the eclectic world that is Los Angeles. From the tony corporate suites to the seemingly peaceful middle-class neighborhoods to the gritty urban neighborhoods, the reader is introduced to intriguing new areas and fascinating characters.

And it wouldn't be a Burnside novel if it weren't loaded with irreverent humor! Nickel Package delivers an exciting mystery that is both compelling to follow -- and marvelous to read.
