Leave your stressful world behind and enter the calming world of Phantasy in this 60 image Greyscale coloring book.

Included are fantasy landscapes, human and computer-generated Avatars and fantastical geometric scenes. These professional-quality grey scale images are perfect for colorists that want to use colored pencils and shading techniques.

They have been hand-processed using high-end computers, state-of-the-art software and our proprietary processing techniques to bring you sharp, vivid images that jump off the page unlike ordinary gray scale images that have been automatically lightened with graphics software.

Each image is printed on its own page too so you can remove them for framing or gifts.
