Please Don't Leave Me Jaret Ferratusco

The fifteen stories in this collection revolve around a helpless populace lost somewhere between their fleeting, disorienting terrors of childhood and the claustrophobic epochs of anxiety which follow. As the days and weeks blankly happened to each other, their little worlds carry the intimacy of a shared heartbreak, lingering like the tremors of a never forgotten bad dream. A kind of subconscious looking glass to the isolation and disquiet of the modern individual, PLEASE DON'T LEAVE ME is a vision of hell both banal and uniquely macabre. Originally published in 2008, this 2011 edition is completely revised, containing three added stories new to the collection.
