Final Vows Karen Kingsbury

When Carol Montecalvo began writing to a man in prison through a program at her church, she considered it her Christian duty. But these letters soon became her lifeline, something she actually looked forward to sending and receiving. She fell in love with Dan, the man behind the letters.

In *Final Vows*, #1 New York Times bestselling author Karen Kingsbury chronicles a couple's unlikely romance and marriage, and what led to Carol's bloody death on her kitchen floor. It seems her husband has obvious motives for murder. But is this former felon really guilty? Or could he actually be a grieving widower, in the wrong place at the wrong time, showing the wrong type of emotions when faced with his wife's lifeless body?

Available digitally for the first time in a repackaged format, *Final Vows* is one of four true crime novels written at the beginning of the author's career. These books have been re-released with new covers, a fresh edit, and a special reader's letter from Karen explaining how the darkness in these stories became more than she could bear and prompted a dramatic career change to write *Life-Changing Fiction*™.
