FLASHBACKS! is a collection of narratives born of non-threatening techniques involved in free-writing (serendipitous approaches to discovery of new ideas and liberation of thought); its principal purpose being to entertain. All characters are fictitious. Resemblance to any individual(s), living or dead, is purely a stroke of genius! The format includes stories and diaries for the young at heart as well as outtakes from UFI (U-Finish-It) files used in specific teaching techniques. Welcome to Flashbacks!
