Finn Taylor is an asshole. So why does he keep showing up in Mac's late-night fantasies as the Dom of her dreams? She can't even ignore him, because she's stuck working with the fellow musician for the Christmas concert season.

Mac Wallis is a mess, and Finn can't fall for a submissive who's so damaged she needs medication just to get through a performance. But he's drawn to the beautiful oboist, even as he keeps pissing her off. He can't resist trying to take care of her--in every way.
