Outcome Uncertain: Cases and Contexts in Bioethics

Ronald Munson

Outcome Uncertain: Cases and Contexts in Bioethics Ronald Munson

This casebook presents both classic and current cases in bioethics, as well as the biomedical and social framework needed to understand the moral and social issues they raise. The text draws its cases from the author's market leading text, INTERVENTION AND REFLECTION, 6th Edition, and provides up-to-date introductions and a strong theoretical foundation for the critical study of bioethics.
