Harry T. Barnes

She Called Him Jim (Over the Barnes Bridge) (Volume 1) Harry T. Barnes

Ida was a coal miner's daughter from the Appalachian Mountains. Norman was the son of a Baltimore City carpenter. At the age of seven, in separate incidents, both of their fathers died violently. In their teens, Ida was sent to a girl's reform school by her brutal stepfather, and Norman lost his mother to mental illness and was left to fend for himself. Both had to grow up fast, and there was little time for tears. "She Called Him Jim" tells the story of how these children rose above adversity and came to know and love one another. It is a true story of courage and perseverance, describing their adventures, hardships, and romance in the early 1900s of Baltimore City, Maryland. The next book in the series, "The Barnes Bridge," is a collection of stories about Ida and Jim, their children, and their lives in Friendsville, Maryland—their joys and sorrows, harrowing near-death experiences, hardships, humor, and courage.
