**Weird. Dark.** Luke Smitherd

From the bestselling author of THE STONE MAN comes a new collection of thought-provoking urban science fiction...

Praise for WEIRD. DARK.:

"For me there is no greater joy than seeing an artist excel at his craft. WEIRD and DARK, yes, but more importantly ...exciting and imaginative. Whether you've read his novels and are already a fan or these stories are your first introduction to Smitherd's work, you'll be blown away by the abundance of ideas." - Ain't It Cool News.com

Luke Smitherd is bringing his unique brand of strange storytelling once again, delivered here in an omnibus edition that collects four of his weirdest and darkest tales:

**MY NAME IS MISTER GRIEF:** what if you could get rid of your pain immediately? What price would you be prepared to pay?

**HOLD ON UNTIL YOUR FINGERS BREAK:** a hangover, a forgotten night out, old men screaming in the street, and a mystery with a terrible, terrible answer ...

**THE MAN ON TABLE TEN:** he has a story to tell you. One that he has kept secret for decades. But now, the man on table ten can take no more, and the knowledge - as well as the burden - is now yours.

**EXCLUSIVE story, THE CRASH:** if you put a dent in someone's car, the consequences can be far greater - and more strange - than you expect.
