USA TODAY Bestseller and Multi-Award Winning Novel!

When single mother, Annie Malone, purchases a quirky Main Street café on Heron Island, she thinks she's finally turned her dream of opening her own restaurant into a reality. Hearing rumors that a developer is about to build a five-star resort on the sleepy Chesapeake Bay island, she plans to transform the café into a premier upscale bistro. But Navy SEAL, Will Dozier, has no intention of selling his grandparents' property to a developer. Back on Heron Island for the first time in ten years and secretly struggling with PTSD, Will decides that a fling with the new girl is the perfect way to help him "get his head straight." The last thing Will expects is to fall in love...with his hometown and with Annie. But Will's life and career are in San Diego with the SEALs. Can Annie's love and the healing magic of the island be enough to convince him to stay?
