## **Improvised Munitions Handbook** US Army

Perfect for law enforcement and soldiers who may encounter and need to recognize improvised weapons and explosives. This is a technical manual intended for the United States Special Forces describing manufacture of improvised weapons and explosives from readily available materials, from junk piles, common household chemicals and supplies purchased from regular stores. It was first published in 1969 by the Department of the Army. This is a remastered copy from the 1969 edition and is much easier to follow, while maintaining the original integrity of the formulas.
