Say Forever (Something More) (Volume 3) Tara West

Warning: this book contains graphic language, sex, and mature situations. Not intended for young adult readers. Christina I love Andrés so much, more than anyone I've ever loved before, yet there are days when I don't know if I want to scream, swear, or fall to pieces. We're trying to plan a future together, but our families won't leave us alone. What's worse is I can see Andrés is not happy. They say love trumps all hurdles, but some days I wonder will "our" love trump "our" hurdles? Then I look into Andrés's sensual smile and passionate gaze and I fall in love all over again. Andrés When I told Christina I would love her forever, I meant every word. The nightmares are back, and I don't know how to stop them, but I have to be strong for her. This pressure from my family and my job feels like a noose around my neck, but I will do whatever it takes to give Christina the life she deserves. She's everything to me, and I won't lose her. This is the third and final installment in the Something More Series.
