We Make the Road by Walking: A Year-Long Quest for Spiritual Formation, Reorientation, and Activation Brian D. McLaren

From critically acclaimed author Brian McLaren comes a brilliant retelling of the biblical story and a thrilling reintroduction to Christian faith.

This book offers everything you need to explore what a difference an honest, living, growing faith can make in our world today. It also puts tools in your hands to create a life-changing learning community in any home, restaurant, or other welcoming space.

The fifty-two (plus a few) weekly readings can each be read aloud in 10 to 12 minutes and offer a simple curriculum of insightful reflections and transformative practices. Organized around the traditional church year, these readings give an overview of the whole Bible and guide an individual or a group of friends through a year of rich study, interactive learning, and personal growth.

Perfect for home churches, congregations, classes, or individual study, each reading invites you to

- Cultivate an honest, intelligent understanding of the Bible and of Christian faith in 21st century
- Engage with discussion questions designed to challenge, stimulate, and encourage
- Reimagine what it means to live joyfully and responsibly in today's world as agents of God's justice, creativity, and peace

If you're seeking a fresh way to experience and practice your faith, if you're a long-term Christian seeking new vitality, or if you feel out of place in traditional church circles, this book will inspire and activate you in your spiritual journey.
