A Dinosaur From the Past and a Robot From the Future hold a press conference!

In this weird and hilarious absurdist stage play, a press conference is held. A dinosaur from the past and a robot from the future discuss with the gathered audience their involvement with a certain incident. They were sucked through time and space just in time to, supposedly, save a rather stupid little girl from a speeding train.

With a brand new Preface by the playwright, this bizarre little show is a delightful read. **Take action NOW and get this Kindle book!**
