Expect Resistance: A Crimethink Field Manual CrimethInc. Workers' Collective

Expect Resistance is not one but three books, each of which may be read as a complete work unto itself. The first book, printed in standard black ink, continues the inquiry into modern life and its discontents begun in *Days of War, Nights of Love*. Just as that book included improved versions of texts originally published between 1996 and 1999, this book draws on CrimethInc. material from 2000 to 2004, painstakingly refined and augmented with a great deal of new content. The second book, in red ink, is a composite account, related by three narrators, of the adventures and tribulations that inevitably ensue when people pursuing their dreams enter into conflict with the world as it is.

Together these comprise a third book, an exploration of the complex relationship between ideals and reality. *Expect Resistance* is a field manual for a field on which all manuals are useless, a meditation on individual transformation and collective resistance in disastrous times, and a masterpiece that raises the bar for radical publishing.

Read and Reading Tremble

CrimethInc. Launches New Offensive with the Publication of Expect Resistance

They called us bourgeois for urging people to abandon bourgeois culture.
They called us anti-worker for refusing complicity in exploitation.
They dismissed our advocacy of plagiarism as unoriginal.
They mocked us for producing paper bullets,
Then cried foul play when those projectiles hit their targets.
When we subsisted on crusts of bread, they insisted it was the upper crusts;
When we discovered cornucopias of abundance, they preferred their sour grapes.
We've been branded militants and dilettantes, black bloc and bête noire, primus inter pariah.

We reply, as Marie Antoinette might have, that they can have their words and eat them too like Samuel Clemens, we don't care what our detractors say about us, so long as they don't tell the truth.

Long ago, we embarked on the greatest adventure of our lives: the total rejection of hierarchy, submission, and tedium, of status and status quo. Seceding from an entirely colonized world, we cast ourselves as crash-test dummies in a life-or-death mission to smash through the walls of capitalism.

Contrary to all expectations, we've survived. To our surprise, we are now able to present *Expect Resistance*, a coded account of our adventures hitting those walls and a full report on our findings beyond them.

Printed in stunning black and red and bound in the skin of corporate executives, *Expect Resistance* is the perfect coffee table book for anyone who lives out of a backpack. Our writers have spent years experimenting with every possible extremity of existence; our editors have spent months hammering out imperfections and adding sickles to the periods to turn them into question marks; our designers, as everyone knows, are the best in the business, not to mention the best against it. A thousand sleeper cells across the planet prepare to swing into action as this announcement is typed.

Concerned citizens may object that some of the raw materials from which this book has been assembled have yet to enter the public domain; we ask them to think of *Expect Resistance* as a book ahead of its time.

Still in love with all of you and the amazing things we have yet to do

your faithful ex-workers
