Kidnapping the Billionaire's Baby Mia Caldwell

She can save countless children by giving up a single child. Hers.

Amara Davis has spent years researching new ways to feed the world's hungry. After a vengeful ex-boyfriend ruins her professional reputation, she's desperate to find new sponsors. Billionaire Quint Forbes, a man from her past, offers to save the day, but he demands something in return.

He wants Amara to be his surrogate and birth his heir. She'll get the funding she needs, and Quint will keep the baby. Because there are millions of lives at stake, Amara accepts this devil's bargain with a heavy heart. She faces a terrible battle in the months ahead — resisting loving both the child growing in her womb, and its handsome father with his electric touch and flashing blue eyes.

But this won't be Amara's only battle. Someone evil lurks in the shadows, hyper-focused and waiting for the perfect time to take revenge on those he believes ruined his life: Amara and Quint.

The devil's at large ... and he's got his eye on the billionaire's baby.

Standalone romantic suspense with a touch of steam and HEA.
