In Japan, breeding Koi--a colorful fish in the carp family--is an art form. This book speaks to its increased popularity in America with information on maintaining a garden pond and proper care of the fish. Heavily illustrated with vivid color photos and instructive line art, *Barron's Complete Pet Owner's Manuals* show and inform pet owners regarding proper care of dogs, cats, birds, fish, reptiles, amphibians, small caged animals--virtually every creature that is kept as a pet. The books give advice on purchasing and otherwise acquiring a pet, feeding it nutritiously, keeping it in good health, and where applicable, grooming and training it. Each book in this large series is individually written by a specialist, and though the information is authoritative, the text is clear and straightforward, easy for every pet owner to understand.
