This volume of the Ramtha Intensive Series is a startling and candid look at the adventures of male/female relationships from the very beginning of Man's creation "when soulmates looked into one another's eyes and recognized self for the first time ever." Topics include: The creation of soulmates for the purpose of experiencing the plane of matter and bringing forth the species called mankind; the separation of soulmates through the debasement of women; sexual degradation, and spiritual and religious dogmas; and the re-union of soulmates through the power of love. The story of "Duvall Debra," presented by Ramtha in December, 1980, is included at the end of this book. It is an evocative story of he split of one god into male and female and how the two became separated from each other through jealousy, possessiveness an the attitude of superiority.
