Saving Liberty Helena Newbury

Emily is the President's daughter. Gorgeous but innocent...not the kind of woman who should get involved with me, an ex-Marine with a bad boy rep. But when a sniper opens fire, the need to protect her is stronger than anything I've ever felt. Suddenly, we're on the ground, my body covering hers. I save her life then walk away, sure that I'll never see her again.

But when a shaken Emily asks me to become her bodyguard, I can't turn her down. Now I have to wear a suit and call her ma'am when all I want to do is slam her up against the wall and tear her clothes off. Neither of us can resist...but I can't let her get close, not with what's lurking in my past. And the danger is far from over. The White House is under threat...and I'll do whatever it takes to protect the woman I've fallen for.
