When a little boy and his mom go camping, mini-disasters abound, and there are lots of opportunities for Mom to step in and fix everything. But instead, with a loving touch, this mommy shows her child ways to do things for himself, going far to encourage her child's independence. And there is still plenty of opportunity for snuggling under the stars.

This warm and humorous testament to all the loving things a supportive mom does each day is every bit as heartwarming as its predecessor and is sure to become a favorite for families everywhere.
