Dark Revenge Jennifer Leeland

“I like my sex rough and my women restrained.” So declares Alex’s captor, shortly after they’re mated in a ritual of vengeance. Though her body lustfully yields to her new mate’s dominant will, her mind is only too aware of the tumultuous past they share. She and Tory fought side by side in the military...until he was exiled for treason, an accusation leveled and proven by Alex’s own brother. Tory is determined to take revenge on the family who falsely accused him...and to win back the woman he’s always loved. If he can’t win her heart, though, he’ll settle for her body—preferably tied up, flogged and begging for him. When they find themselves in the middle of a brewing civil war, they have to learn to trust each other with more than just their bodies. If they can’t, humanity itself may pay the price.
